

It is with sadness but much appreciation and optimism that the GROW Group wishes Mr Nhlanhla Nene, our former Chairman, all the best in his appointment as South Africa's Finance Minister.

We have come to know him as an excellent chairman who not only led but also engaged with people on all levels with sincerity. He has a genuine interest in agriculture and the crucial role it plays in South Africa's financial and food security.

Mr Nene, we are very confident in your ability to promote the financial and economic growth of South Africa.

May God bless and guide you in this honourable task.
